

MAYDAY 101 - Surviving In Flight Emergencies

What would you do if the unthinkable in flight emergency really happened? Have you thought about it? Planned for it? Are you really prepared? Attend this exclusive briefing and learn what other pilots have done, or did not do to survive a real emergency such as engine failure, electrical problems, landing gear deficiencies, in flight fires, low fuel, unforecast weather, and more. Seating is limited, so REGISTER TODAY at the link below! FLY-IN Pancake Breakfast. Enjoy a delicious breakfast at the airport "Fly By" Café before the seminar (for details and cost information contact flyblueridge@yahoo.com).

Directions: Airport Terminal Building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
